JAKARTA

*PT. Multiguna International Persada
has been established as a premier
provider of freight forwarding, customs
broker and supply chain logistic in
Indonesia since 2000*

HISTORY

PT. Multiguna International Persada was established in 2002, formerly named *PT. Multiguna Exprestama* based in Surabaya and started its business in general cargo forwarding.

In 2003 we opened our office in Jakarta and were registered in the Ministry of Law and Human Rights under the new name *PT. Multiguna International Persada*.

We expand our business from handling general cargo and start developing our strength and expertise in providing service in handling refrigerated cargo and other Reefer Logistics services.

In 2006 we opened our branch in Bitung (Northern Sulawesi) and following opened our branch in Semarang (Middle Java) in 2009 to covers the demand for reefer and general cargo business. As a result from 2003 to 2009, we had a very big business growth mostly from perishable cargoes.

In 2010 again we spread our wings even wider by developing Project Cargo Division with the initial project transported OOG cargo for WIKA Algiers Highway Project and until this recent time, this division keeps growing by handle many more projects both inside Indonesia territory and overseas.

Following the growth in our business, in 2012 we established a branch in Makassar (Southern Sulawesi), and in 2015 we have a branch in Medan (Northern Sumatera).

Until 2020 we are growing with 9 branches and representative offices all around Indonesia's most strategic cities and we run a complete package of cargo transport, logistics, and supply chain powered with our dedicated and trusted manpower to provide reliable services for warehousing, depot yard, trucking fleet, and also consolidated cargo service.

OUR MISSION AND VISION

Our mission is to build long term relationships with all of our customers and our relation networks and provide exceptional services by delivering our customer's satisfaction through the excellence of our work and see ourselves as an extension of our clients' business.

We believe in treating our customers and our relation networks with respect and faith and we integrate honesty, integrity, and business ethics into all aspects of our business functioning.

Our vision is "Being a leading, first-class, freight forwarder & logistics provider" and we achieve our vision by offering a first-class service to our customers and equally so to our employees and investors.

In line with our strategy, we aim for continuous and profitable growth in international freight forwarder and door-to-door services across Worldwide by offering a unique choice of services to our customers and adding value to customers through our two-pillar strategy of combining shipping and logistics services.

Our ability to generate sustainable profitable growth while continuously reducing cost and Increasing efficiency is key to our success, as it's offering our colleagues personal growth and a motivating place to work.

OUR ABILITIES

Our services include (but not limited to) the followings:

PROJECT CARGO

FREIGHT FORWARDING

NVOCC

REEFER LOGISTIC

CUSTOMS HANDLING

INLAND TRANSPORT

LCL CONSOLIDATION

WAREHOUSING

**WE
PROVIDE YOU
WITH DIVERSE
RANGE OF SERVICES**

FREIGHT FORWARDING

Providing sea freight (including bulk and containerized LCL & FCL), air freight, inter-island shipment, transshipment, custom clearance and documentation handling throughout all the world ports.

We ensure that you choose a company that you can trust and rely on, as well as one with impeccable customer service to ensure that your cargo shipments arrive safely and on time.

REEFER LOGISTICS

*Providing **comprehensive reefer logistics solutions** with **specialized and advanced expertise** in handling **any kind of temperature-controlled cargo**, frozen, chilled, or fresh.*

*This service covers the **whole refrigerated logistics chain** including loading and unloading, repacking for frozen/chilled goods, providing cold storage, generator sets, reefer technician, customs formalities, etc.*

PROJECT CARGO

We provide special care, expertise, and attention since project cargo shipments typically related to *tight time-bound, high-value goods* and often with *high-risk handling* regards to *heavy lift and oversized cargo*.

Our people always *prioritize precision and accuracy* in their *pre-survey and execution* in every project to deliver *perfection results* and *fulfill the safety first orientation*.

We can save you time and trouble in customs **issues handling**.

Powered by our **experts** in regards to all **customs regulations** and procedures both for export and import.

We are linked to our **licensed customs broker** at:

Tanjung Priok I, II, III - Jakarta sea port,

Soekarno Hatta Airport - Jakarta,

Tanjung Mas, Semarang sea port,

Tanjung Perak & Tanjung Tembaga, Surabaya sea port,

Makassar sea port,

Bitung sea port.

CUSTOM **HANDLING**

INLAND TRANSPORT

We are capable to cover the needs of land transportation and **calculate the needs** of the **necessary vehicles** use to transport.

We provide land transport by **many types of land transporters** such as trucks and trains. We have our own truck fleets and also have **reliable trucking fleet networks** to fulfill all of our customers' requirements.

Providing **reliable warehousing** as a key part of the supply chain primarily aims to **control all the movements and storage** of material needed by our customers to process the associated transaction, including shipping, receiving, put away, and picking.

We provide warehouse both for **controlled temperature materials & dry materials**.

WAREHOUSING

(Less-than-Container Load)
WORLDWIDE LCL
CONSOLIDATION

We can **consolidate multiple LCL shipments from different shippers and origins into one Full-Container Load (FCL) shipment.**

This gives you **lower transit costs and fixed transit times** using weekly sailings and smooth connections to the final destination.

We are offering **direct console export & direct console import**, and we can also do **transshipment from various countries.**

(Non-Vessel Operating Common Carrier)

NVOCC

We compromise **sales, staffing and transport** of the containers to the **specific ports** from Indonesia to Singapore and Malaysia, also for **domestic shipment**.

In addition to that, we can issue our own Bill of Lading.

We acts as a **carrier to the shippers** and as the **shipper to the carriers** (we are the middleman and make **100% of the work for shippers**). We can also **provide dry and reefer containers**.

PARTNERS

*In serving of the excellence, we build **connections** around **companies with great capabilities** of our needs to reach our goals. Which is to actualize our vision by **offering first-class services** to our customers and **equally** so to our employees and investors.*

SOME OF OUR
PARTNERS

A large blue and red Maersk ship is being lifted by a crane in a shipyard. The ship is positioned vertically, with its bow at the top and its stern at the bottom. The ship's hull is painted blue on top and red on the bottom. The word "MAERSK" is visible on the blue part of the hull. The ship is being lifted by a large crane, which is visible on the right side of the image. The shipyard is filled with various structures and equipment, including scaffolding and cranes. The sky is clear and blue.

OUR *PROJECT*

*We are also capable of handling projects,
whether small or large.*

*We always **partnered with experienced
companies, our networks** also makes us easier
to guarantee and **ensure success.***
